HEADTEACHER'S NOTES

I do hope you can come along to the parent/carer information meetings on Monday afternoon. You will be able to meet your child's class teacher, see the learning environment and find out what is expected in the new year and how you can help support your child.

We have had an excellent start to the school year. The children have settled quickly into their new classes and there is a very positive attitude to learning throughout the school. This week I have been thanked by a child for teaching him maths, have been asked by a child if they are doing well and have been presented with work a child chose to do at home to practice their learning. This gives you a flavour of the enthusiasm your children are demonstrating and I am very proud of them.

Miss H Pemberton, Headteacher
