Friday 31st March 2017

Dear Parent/Guardian,

Some enthusiastic members of Science Club have requested that the school hosts a Science Fair on **Tuesday 13th June**.

This will be open to all ages and will take place after school at **15:30** in Mr Maher's classroom.

The idea is to get this letter out early so everyone has a chance to design something science related. Parents/Guardians are encouraged to help children at home with materials and ideas for their project which can literally be anything.

I am very pleased that the children expressed an interest in a Science Fair, although I doubt that cleaning the floor afterwards will provide many laughs!

The winning design will win a prize and will be judged by Mr Maher and BAE staff.

Yours faithfully

Mr Maher (Year 5 Teacher)
