Dear Parent/Carer,

We are now able to confirm that the total cost to parents and carers for this year's London trip is **£275**. This is a little more than last year, the increase due to inflation and also the fact that we have a smaller group, which is always more expensive per person. (There was also an extra cost involved in rejigging the itinerary so that we can visit the Houses of Parliament on Friday afternoon.) The cost per child is actually greater than £275, but the 'excess' is being subsidized by school. We hope that this relatively small increase from the original estimate is acceptable and that parents/carers still recognize that this is still very good value.

May we therefore politely remind you that the balance for the trip should be paid in full by **Friday 26th May**. If parents/carers are able to pay sooner rather than later, that would be greatly appreciated – trip funds are currently rather meagre and we need to make some payments as soon as possible.

We will of course hold a full meeting for parents/carers nearer the time of the trip, but feel free to pop in and have a chat sooner if you have any concerns.

Many thanks and kind regards,

K Davison
