Thursday 4th January 2018

Dear Parent/Carer,

As we all know, maths is a huge part of the curriculum at school, and is especially important for Yr 6 children, all of whom will be taking SATs in maths and English in May. What some people forget is that **maths can also be great fun when you've 'cracked it'!** With all this in mind, Miss Pemberton, Mr Connell, Ms Davison and Mr Maher have all kindly offered to run **extra maths sessions** for pupils after school every **Monday** from 3.15 – 4.05pm.

In previous years, children have greatly benefited from such sessions and it really helped them to achieve their true potential in the SATs. These sessions are highly recommended and we very much hope that Yr 6 pupils will attend these sessions, and reap the rewards. If you wish your child to attend these extra sessions, please complete and return the form below.

Yours faithfully,

K Davison

Ms K. Davison

----- ✂ -----

I would like my child _____ to attend the extra maths sessions beginning on Monday 8th January 2018

I will collect my child from school at 4.05pm.

I allow my child to walk home alone.

Signed: _____ Date: _____
