Dear Parent or Carer

### **SIR JOHN BARROW PRIMARY SCHOOL: PARENT GOVERNOR VACANCY**

I am writing to let you know that there is a vacancy for **one** parent governor on the School's Governing Body. We are very keen to encourage parents (or people with parental responsibility) of registered pupils to nominate themselves to stand for election. Details of what you will need to do to be nominated are included with this letter.

Parent governors are elected by other parents and are vital to our Governing Body. They share equally with other governors the duty of carrying out the Governing Body's wide range of responsibilities. Governors do not run the school day to day, as their role is at the strategic or policy-making level. You do not have to be an expert on education to be a school governor. Becoming a parent governor can be very rewarding, and an excellent way to get involved at a strategic level in your child's school.

#### **What do school governors do?**

- Work together as a team, making collective decisions
- Help to set the broad framework within which the staff run the school: they do not become involved in day to day management issues, but work closely with the Headteacher and Senior Leadership Team to make key decisions vital to the successful running of the school
- Ensure high quality education in the school: school governors play an important role in improving standards throughout the school by supporting and encouraging the staff in making the right decisions about the overall direction, as well as reviewing and monitoring performance
- Oversee the school's budget

#### **What skills do governors need?**

Governors need to have an interest in the strategic management of the school and in the education of the pupils, as well as the time and willingness to get involved. The skills you already have can be very useful to the Governing Body. Governors also need what is known as 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information. All governors are expected to be able to read straightforward budget reports and data on school standards.

### **What the Role is not**

It is not being a parent representative or representing the views of other parents. You are a governor as an individual and make decisions and express your own views, drawing on your own knowledge and experience as a parent and member of the school community.

### **Commitment**

If you join our Governing Body, your term of office will be for four years and you can continue to the end of the four years even if your child/children leave the school. Although the role of a governor is an unpaid position, being a governor will take up considerable time. There are at least three Governing Body meetings each year and governors usually serve on a Committee that generally meets once a term. You will need to set aside time to be able to be an effective governor: time to prepare for meetings, for visiting the school, to undertake training and to keep your knowledge up to date. All governors are expected to undertake training, including induction training, and to attend additional events as well as the scheduled meetings throughout the school year.

The commitment will include:

- *Between three and six Governor Visits per year (these typically take from around an hour or so to half a day per visit, when governors spend time in the school meeting with staff and pupils and monitoring certain areas).*
- *A specific role or responsibility which will involve developing an understanding of that area of school provision and then undertaking monitoring etc.*
- *You will be required to write brief reports following monitoring visits, workshops, events etc. to demonstrate what was learnt or monitored.*
- *Regular access to email and the ability to respond within a timely fashion*
- *Undertaking governor training – sessions are run throughout the year by the Cumbria County Council Governor Support Team and the local school cluster group, mainly in the evening. There are also online packages available. The expectation is that you will undertake induction training and at least one training session per academic year, but obviously the more you can attend, the more you will be able to give and gain from the role.*

All meetings dates are decided well in advance and are set at the end of each academic year for the year ahead.

### **Election Process**

If you would like to take the opportunity to put yourself forward as a candidate please complete and return the attached nomination and eligibility forms to the school, marked for the attention of the Headteacher, by the end of the school day on **Friday 9<sup>th</sup> February 2018**.

If there are more nominations than vacancies an election by secret ballot will be held as soon as possible. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure. If you would like more information about what the Governing Body does and the role of parent governors, the Chair of Governors is very willing to answer your questions. Please leave a message in school for the Chair to contact you directly.

Thank you in advance for your interest and support for the School Governing Body.

Yours sincerely

Miss Helen Pemberton  
Headteacher

A 'parent' includes:

- the pupil's parents (natural or adoptive);
- any individual who has or has had 'parental responsibility for, or cares or has cared for, a child or young person registered at the school;
- a person who the child lives with and who looks after the child, irrespective of what their relationship is with the child e.g. step-father, grandparents, other relatives, cohabitants and foster parents. NB This must be someone involved in the full-time care of the child on a settled basis.

It is recommended that all candidates supply a short personal statement of no more than 250 words, this will be circulated on the ballot paper to all parents to inform their vote. Statements longer than 250 words, for the sake of fairness to all candidates, will be reduced. No other information will be circulated to the parents at the school.

4. You need to sign at the very bottom that you are willing to stand as a candidate for election as a Parent Governor and that you are not disqualified from holding office for any of the listed reasons.
