Friday 2nd February 2018

Dear Year 4 Parents/Carers

Flooding Awareness Project – Year 4

We would like to invite you to come into school on **Thursday 8th February, 3.15pm** to learn about a Flood Awareness Project your child will be undertaking. Here at Sir John Barrow, we take pride in being involved and helping out in the local community. The Flood Awareness Project is an initiative designed to give children the opportunity to share their experiences of flooding. This could mean flooding at home, at school, in the local community, friends or family being in an area at a time of flooding. Some of our children attended Rascals Nursery which was in fact closed down recently due to flooding. The project will take place within school and will consist of four one hour workshops over a four-week period. The sessions will start on Tuesday 27th February at 1:30pm.

The project involves art-based, participatory workshops which combine group discussions and practical creative workshops and games. The workshops have been designed to be fun, interactive and enjoyable for those taking part.

Please sign the consent form below to confirm your child is able to take part in this project.

If you are interested and able to give some time to support the practical sessions, please can you let us know.

Yours faithfully,

Mr Wilson

Flooding Awareness Project – Year 4

Child's Name:

I **give/do not give*** permission for my child to take part in the above project.

I **will/will not*** be able to attend the parents/carers information session on Thursday 8th February, 3.15pm
