Tuesday 8th May 2018

Dear Parents / Guardians,

STEM Visit to Siemens – Monday 21st May

We are very pleased to be taking part in the STEM (Science, Technology, Engineering and Mathematics) project supported by Siemens.

We will be visiting Siemens on the morning of 21st May. We will have a tour of the factory and then take part in some activities relating to our science topic of forces and magnets. The visit will begin at 9:15 at Siemens and we will be back in school in time for lunch.

You can choose to meet us at Siemens at 9:15 (please wait until staff arrive before you leave your child!) or to bring you child to school for 8:40 so we can walk down as a group.

As always, it would be very helpful to some extra adults to walk the children from school to Siemens and to walk the whole group back again. Please tick to show your availability

Yours faithfully,
Nancy Fletcher

Mrs Fletcher

.....
Name of child:

My child will set off from school at 8:40

We will meet you at Siemens at 9:15

I can walk with the group from SJB to Siemens

I can walk with the group from Siemens to SJB
