SIR JOHN BARROW SCHOOL

WEEKLY SNIPPETS

HEADTEACHER'S NOTES

WHAT'S ON AT SJB?

Friday 7th December 2018

Well done to our team of Year 3 and Year 4 pupils who came 2nd overall in the Sports Hall competition in Barrow this week.

The end of the Autumn Term is always a busy time. The children have been busy practising for our end of term celebration events. We hope you are able to join us over the next couple of weeks. We also have the sleep over, the Christmas Fayre, Celebration assemblies, Christmas dinner, Christmas Jumper Day and of course the Christmas parties,

The PTA have been busy raising money for school. They enjoyed a successful shopping trip to Liverpool last Saturday and have been busy preparing for the school Christmas Fayre later this afternoon. Thank you to all those who have been able to support their efforts and we hope you can come along and join us later.

Thank you to Mrs Branton, our school governor, and to the parents and children who went to the Co-op last Saturday morning to say thankyou, following the successful fundraising project for the school bike sheds and playground. The school council will be helping to make decisions as to how to spend the money to make improvements in the New Year.

Miss Helen Pemberton
Headteacher

Monday 10 th December	3.15-4.15 gymnastics
Tuesday 11 th December	3.15pm – 4.15pm, Yrs 3,4,5,6 Drama Club (Mrs Fletcher)

Snippets

We would like to thank our PTA team for their hard work organising the Christmas Fayre again this year. They have worked extremely hard yet again.

Junior children - please bring your costumes to school on Monday. Black top (or navy school jumper), black trousers or skirts and tights.

SJB has now launched a Facebook page. This will be updated on a regular basis.

MEET OUR GOVERNOR OF THE WEEK

Mrs Janet Heffernan (Chair of Governors, Co-opted Governor)

My job as Chair of Governors is to help our team of Governors to support the school. I work closely with the Headteacher to make sure the Governors are all doing the right things! I am also a National Leader of Governance, so I support some other schools locally with the smooth running of their governing bodies.

I also run my own business as a professional Mathematician which lets me work with scientists on lots of different science projects. I do quite a lot of work involving flooding, and how to protect against it! I love living in Ulverston and my favourite things to do are running, playing music and hanging out with my family and friends.
