

PLANET OR PLASTIC?  
IT'S TIME TO CHOOSE

# Helping the environment

Here's a little video  
to watch..

ENJOY!

# Helping the environment...

Look at what we're responsible for...

Here are something you could consider doing to help out planet:

- Think about packaging before you buy products .
- Turn off lights and other electrical devices when you don't need them.
- Do not waste water.
- Recycle.

We have to do something about this...

The future children of the world may not ever see an ocean because all of it has been covered in plastic.

We need to stop this and the only way to do that is to pick up litter. If you see any litter, pick it up. **THINK UP. PICK UP. BE A HERO!**

# IS IT A BIRD? IS IT A PLANE? NO! IT'S SANTA!!!!!!

It's finally the countdown to Christmas!! Are YOU on the naughty list? What do YOU like about Christmas? My favourite part of Christmas is definitely when we all gather around and open presents. Another thing I love about Christmas is when everyone opens their presents. I like it because everybody has a happy smile on their faces.

**FUN FACT:**  
Christmas trees came from Queen Victoria's husband [Prince Albert] ! The Prince was German and Germany had Christmas trees

**Always believe in  
the spirit of  
Christmas!!**

WE NEED YOU!! SJB NEEDS  
YOU **NOW**!!!!!!!!!!!!

WE NEED YOU RIGHT  
NOW!!!!!!!!!!!!!!

SJB Playtimes would like to offer a lucky Year 5 or 6 a place to help us with our newspaper! You need to write us a letter, then we'll give you an opportunity to have a little taster day in our workshop. It would be ideal if our new journalist was in year 5 so they can come to the same lunchtime as us. The deadline is 26<sup>th</sup> of February.

THANK YOU!!!!!!
