

# Robinwood!!!

## Activities

- ▶ There were various activities at Robin wood including : piranha pool, knight's quest, caving and many more. I really liked it and in our opinion the best activity was the crate challenge even though I got cut on the finger by a crate . It was amazing! In Annie's opinion the worst challenge was the Trapeze and her favourite was the Giant Swing.

My favourite was the crate challenge so was Kyra's. In my opinion the worst challenge was the obstacle course. The worst challenge in Kyra's opinion was piranha pool but if you're going in the future these might be your favourite activities , these are just our opinions.

Bye Sophie .

# PLAN YOUR DREAM HOLIDAY!!!

- ▶ This week, we want to know where you've always wanted to go.....
- ▶ YOU CAN PLAN YOUR DREAM HOLIDAY!
- ▶ Will it be to Africa, to see a real life lion devour its prey?
- ▶ Will it be to Miami, to lounge near the beach and sip a cocktail at sunset?
- ▶ Or perhaps to Paris, having a croquet-monsieur in a restaurant then watch the Eiffel Tower glitter?

# WHAT'S YOUR DREAM HOLIDAY?

## QUESTIONS ABOUT YOUR DREAM HOLIDAY.

Where would you like to go on your dream holiday ?

How would you like to get there?

Where would you stay?

Would you like to live there?

If so, why ?

Would you rather go on a tropical island or a busy city?

Would you stay in a five star hotel or a lovely cabin?

# Make your own book!

What would your book be called ?

What would your front cover be like ?

What would your plot be?

Who would your main character be?

Would there be a moral to the story ?

What sort of book would it be for example an adventure book or a romantic book etc?

Will you write in the style of somebody's diary?
