### WHAT'S ON AT SJB?

Friday 7<sup>th</sup> June 2019

Dear Parent/Carers

*This week Year 5 and 6 have thoroughly enjoyed their Forest Schools sessions with Mr Maher. I was greatly impressed by their woodwork skills. Do have a look at the blog to see them in action and to see what they produced. Absolutely fantastic.*

*Councillor Shirley Wilson visited school today to find out our children's views about Ulverston. She wanted to know what the children liked about their town and how they thought it could be improved. The children had spent time in class councils sharing their views and the children had lots to say. Councillor Wilson was very impressed with the children and has taken on board their thoughts and ideas. She was surprised to find out that the children share the same views as many residents she hears from. For example, in their opinion key areas for improvement would be to tackle dog fouling and the amount of litter. They would also like to see an improvement in road safety and less traffic. Thank you to all the school council for representing the school so well*
