Friday 27th September 2019
Dear Parent/Carer,

We have had another good week here at SJB. The children have been busy practising their class poems for our Poetry Day next Friday. We hope you will come along. Each class have been reciting and writing various poems and rhymes. Many of the children's own poems can be seen on the display boards in the school hall.

Last Friday Mrs Harris went to speak to Year 4 to talk about the Conservation of Turtles, as her daughter is currently working in a conservation centre in Crete. The children were very interested. At SJB, we are focusing on linking our learning to our lives and the world we live in. Where possible we would like our learning to have a practical application and make a difference. Year 4 are very keen to adopt a turtle. It involves a one off payment which enables the centre to protect a turtle. We have decided to have a school collection to see if we can raise some money to make a difference. If you would like to contribute, any coin (or note!) can be dropped in the 'turtle bucket' in the Year 4 classroom. Any contribution would be appreciated, however small. It all adds up. Please see details of possible 'adoption options' on the rhs of the page. The children will make the adoption choices, dependant on the amount raised.

Best wishes.
