Dear Parent/Carer,

We have had another positive week at SJB. Half of Year 5 enjoyed a special science lesson at UVHS on Wednesday and the other half of the class will get the same opportunity next week.

This week is poetry week and the children have worked hard, practising their class poem. We are looking forward to our performance event this afternoon.

I have been visiting classes over the last few weeks to look at how the children are learning. I have been very impressed with positive attitudes to learning throughout school.

In observing mathematics lessons, it has been particularly noticeable that the children who know their 'Learn its' have a significant advantage in lessons. For this reason we are considering a 'Learn Its' Club, including creative ways to remember the basics. Please could we encourage you to take on going 'Learn Its' homework seriously with your child. It will reap huge rewards. We have attached a 'Learn Its' sheet so that you can see what your child should know by their current year.

At SJB, we hope you have a fun and restful weekend.

Kind regards,  
Helen Pearson

## Snippets

**Please, please, please clearly label your child's uniform. Last week we had lots of un-named jumpers and cardigans left on the playground. When there is a name on the label we always return the item to your child's peg. Please help us to help you!**

**Letters will be issued next week regarding Parents Evening to be held on Monday 14<sup>th</sup> and Tuesday 15<sup>th</sup> October. Please complete the return slip and pass to your child's class teacher.**
