

## WEEKLY SNIPPETS

Friday 17th January 2020

Dear Parent/Carers,

This week we had our school council meeting. This follows a class council meeting in which the children discuss with staff items raised by children/staff or governors. Years 1-6 have 2 school councillors who represent their class at the school council meeting. We talked about what inspires the children to read for pleasure and the children shared a list of their class's top 20 favourite books. We will be making sure these books are available for the respective classes. The children also fed back some information about their favourite games at playtimes. We have been talking about possible new ideas for the playground as well as discussing how we can best use and look after the resources we have.

Below you will see a message from our local PCSO about dropping off and picking up children safely. I have had a few concerns raised recently, and though I know most parents/carers park responsibly, please could I just add a reminder to park with care. We do have some children with physical/medical needs who need to use the 'Taxi bay'. Please can we ask you to avoid using this bay. Many thanks once again for your support in keeping our children safe.

Kind regards

Mrs H Pearson  
Head Teacher

**After School Clubs- We currently have a large number of afterschool clubs running. For safeguarding purposes, please make a diary note of the clubs that your child attends. If for any reason your child isn't attending the club, please tell the teacher before club begins. Children should attend all sessions of the club until the finishing date. Thank you.**

A message from our local PCSO Izzy Roberts:

'After a couple of visits to School this week I am seeing that parents and carers are still parking or stopping on the yellow zig zag lines directly outside School. This is a polite reminder that the zig zags are there to protect your children at the beginning and end of the day and stopping on them even for a few seconds can be a ticketable offence. I appreciate we all have busy days and you may be running late or in a rush, but there really is no excuse when it comes to the safety of young children. I will be continuing to work closely with the School to tackle this issue and would like to thank those who have cooperated so far.'

Thank you.
