BELONGING

Friday 13th March 2020

Dear Parent/Carers,

We wanted to take this opportunity to reassure parents/carers that currently we don't have any reported confirmed cases of COVID-19 amongst pupils or staff. We have put measures in place to reduce the risk of spreading the disease and will continue to take advice from Public Health England.

We are following updated guidance on a daily basis.

There are no immediate plans to close our school. Parents/Carers will be informed of any changes via our school texting service. We would like to draw your attention to latest guidance from Gov.uk ['Stay at home guidance for people with confirmed or possible coronavirus \(COVID-19\) infection'](#)

We have a caring, school community. Do not hesitate to contact us if you or your family find yourselves in difficult circumstances during this time and need support from the wider community.

Today is Sports Relief. Thank you for any donations sent which all go to a good cause. The children have had great fun participating in different physical activity, motivated by Joe Wicks (unfortunately not in person ;))

Well done to our tennis players this week. 4 year 5 children represented SJB in a local tennis festival.

Kind regards, Helen Pearson

## WHAT'S ON AT SJB?

Mon 16th Mar	Yr3 & Yr4 swimming
Tue 17th Mar	KS2 MultiSports 8-8.40am Yr6 Maths Club 8-8.40am <b>KS2 Choir CANCELLED</b>

Fri 20th Mar	KS1 Multi Sports 3.15-4.15pm Athletics 8-8.40am Creative Construction Club- 3.15-4.15pm JunkYard Orchestra 3.15-4pm <b>Music Festival FINISHED</b>

## Fond Farewell

Mrs Parker leaves us today to start a new role.

We are sorry to see her go and would like to thank her for her contribution, particularly to sport, at SJB. We wish her every success in her new job. Mrs Parker will be joining Barrow Raiders on their Community Programme so we hopefully may see her from time to time. **Good Luck Mrs Parker from your SJB family!**

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
