SUCCESSING
ENJOYING
BELONGING

WEEKLY SNIPPETS

Friday 20th March 2020

Dear Parent/Carers,

This is an unprecedented and difficult time. We, as a school would like to thank you all for working with us and being so understanding over the last few weeks as we have considered risk and followed directives from Public Health England. I would like, too, to thank the SJB school community for working together to support our children and families. I work with an amazing team.

Today we close our doors as an educational setting until further notice and from Monday we will only provide essential childcare. In time, this provision may change, if staff numbers significantly reduce. Schools are working together, with the Local Authority to provide a joined up response.

It is really important, for our own safety and that of the wider community that we follow guidelines given.

Government guidelines states that parents should keep their children at home wherever possible. Schools have been asked to remain open ONLY for those who absolutely need to attend. Thank you so much for your co-operation in this.

We want to reiterate once again that we are part of the wider community. If you think we can advise or provide any further practical help, do not hesitate to call us.

Keep safe
Kind regards,
Helen Pearson and all the SJB team

YEAR 6: A Special Mention

We are hoping that we will see our Year 6s return to school to continue their education with us. However, we cannot be certain and therefore we would like to recognise the hard work they have put in over the years, especially this year. We would like to recognise their contributions to the school in so many different ways and say how proud we are of them.

Whatever happens, we will organise a leaving event for them to celebrate all their achievements at SJB, some time in the future. Watch this space :)

Keeping in touch

We will continue to communicate using the Blog. Passwords for activities eg. Big Maths and times table Rockstars will be emailed next week.
