Dear Parent/Carer

Firstly, thank you so much for responding to the survey. This was just to give us an initial idea of feeling in our school community and was really helpful. We know you may change your mind.

This week the Senior Team in school have also been talking with staff and considering national and local authority advice and guidelines. Yesterday we received a required Local Authority risk assessment for opening. Tonight we will be liaising with our school governing body. We will be in touch with you very soon in order to give details about a possible re-opening in June. We will also send out a second survey to you to guide our plans.

Thank you for your patience. It is important we get this right for our school and the local community.

Kind regards,

Helen Pearson
