

WEEKLY SNIPPETS

Friday 6th November 2020

Dear Parents/Carers

It is good to be back and to welcome the children back after the half term break. The staff and I would like to thank you for the many kind words and good wishes over the last few weeks. We really appreciate being part of a strong, local community. We hope you were able to have an enjoyable break over the holidays.

A month of Lockdown ahead and all that will mean for individuals, families and communities has been on everyone's minds over the last few days. We have decided as a school that we would like to give the children some positive, fun experiences to look forward to over this period. For starters we will be getting involved in Children In Need next Friday, more to follow. Mr Maher will be hosting an online quiz as part of the day :).

In addition, we are planning a fun 'Preparation for Christmas' Day when the children will help decorate the school and get us in the festive mood.

As long as school remains open, we are planning festive fun in the run up to the end of term. We are also planning an end of term production 'Bethlehem The Musical' It will look different of course, following all Covid19 safety guidelines and will be presented virtually but... the show, of some kind, will go on!!.

Speech Therapy- Our Speech Therapist Kirsty Bramhall is now, back at school. She will be carrying out assessments of the children she was already working with.

If there are any parents who would like to discuss speech therapy for their child, please contact the class teacher or our SENCO- Miss Robinson.

Best wishes,
Mrs Helen Pearson
Headteacher
