Friday 3rd September 2021

Dear Parent/Carers,

We have had a good start to the new term.

The children arrived looking very smart in their uniform and have settled quickly in their new classes. They have been pleased to see their friends and have been trying hard for their teachers. It is a big thing, particularly for our younger children, to get to know new routines and some new faces. Well done SJB.

It is good to have fewer restrictions in school so that we can focus on the children's education. However, please be assured we are still very aware of the risks of Covid19 and have risk assessments in place to minimise the spread of the disease. We are still social distancing where possible and minimising contact across classes. We are having staggered break times (Years 1 & 2, Years 3 & 5 and then years 4 & 6) and we are trying to keep these bubbles when practical for other activities such as clubs. Years 2, 4 and 6 are on the playground together at lunchtime and Years 1, 3 and 5 are together. These groups are in the hall together, however, they are seated separately in their year groups when inside. Reception and nursery remain in their own class bubble groups. Reception class will eat lunch in the hall seated together as a class.

You will be aware of the use of different gates at the start and end of the day. We want to encourage the children to keep their distance from children from other classes when coming into school.

We are leaving the decision to parent/carers whether to wear face masks when dropping off/collecting your children. However, please can we ask you to be considerate of others and socially distance wherever possible.

Best wishes,
Mrs Helen Pearson
Headteacher and Team SJB

WHAT'S ON AT SJB?

Mon 6th Sept	Yr1 & Yr2 Multisports 3.15-4.15pm

Snippets

New Nursery/Reception parents- please return any new admission forms /parental consent forms/ Home School Agreement packs urgently. Thank you!

School Meals - Please click [here](#) to view the how to guide to order school meals on ParentPay

Please click [here](#) to view the weekly school meal menu. If your child has any food allergies/dietary needs, please let us know as soon as possible.

School Streets Consultation

We have been concerned about road safety, along with a number of parent/carers due to the congestion outside school at the start and end of the day. For this reason we are supporting **tralling** the School Streets initiative. Please give your view through the consultation emailed to you towards the end of the summer holiday.

E-School Nurse Video Clinics

Twice weekly **online health support** and **advice for parents**, carers and professionals, **supporting children and young people aged 5-19 years old**.

Tuesday and Thursday

During school term only

You will be able to talk to the nurse over a live video link that is private, secure, confidential and convenient for you. In consultation with you, the nurse will assess the child or young person's health problem and provide you with the support and advice needed.

For more information on the **E-School Nurse video clinic** please read the information leaflet or visit:

www.cumbria.gov.uk/ph5to19

You can telephone for an appointment

01228 603973 (Monday - Friday 08:00-16:00)
