

SIR JOHN BARROW SCHOOL

WEEKLY SNIPPETS

SUCCESSING
ENJOYING
BELONGING

Friday 8th October 2021

Dear Parent/Carers,

This week children from Year 3,4 and 5 have been involved in a cross country event. This was part of the first school games competition. Mr Maher was very impressed with the children's performance. Do have a look on the blog for more information.

We heard this week that the School Streets initiative pilot is to go ahead at SJB. We hope it will help to alleviate congestion and keep our children stay safe as they come to and leave school. A representative from Cumbria County Council is visiting school on Monday 13th October. Watch this space for more details.

We have had assessment week in school this week. Well done to all the children for applying themselves and doing their best. Assessment week plays an important part in helping teachers and senior leaders plan teaching and learning effectively.

You may be aware that cases of COVID-19 are rising in Cumbria. We are keeping abreast of changing guidance and thank you once again for supporting us in implementing changes to minimise risk. Please see the letter [here](#) from Colin Cox, Director of Public Health for Cumbria, informing you of the latest guidance.

We hope you have an enjoyable weekend.

Kind regards,
Mrs Helen Pearson, Headteacher
