Yes, as it was all I ever did.

My nana as she always liked to cook.

### Crowd Go Mad For Peter Rabbit

Hey, it's the marvellous Maisie and the spectacular Oscar! We're here to give you a review on the new exciting film, The Peter Rabbit movie! We both really enjoyed it (well, Maisie at first thought it would make Beatrix Potter roll in her grave, but had a change of heart luckily). Unfortunately, the film has been hit with controversy, due to a scene in which Peter, Benjamin, Flopsy, Mopsy and Cottontail catapult blackberries at Thomas McGregor, which he is allergic to and has to insert an Epi pen. They're calling it "dangerous and irresponsible" though I (Oscar) don't really agree because they didn't actually do anything TERRIBLE. Maisie, however, has different views. She says the scene empowered bullying, which could give young viewers the impression that teasing people because of their allergy is fine (which it isn't). Anyways let's get on with the review. If it wasn't for Beatrix Potter we wouldn't have those cute little bunnies in their individual little coats, so let's not forget her. Featuring a colourful and creative cast of: James Corden (Emoji Movie), Rose Byrne, Domhnall Gleeson (Star Wars) Daisy Ridley (Star Wars), Elizabeth Debicki and Margot Robbie. The film is full of comedy, humour, action, adventure and amazement. It is 1hr 35mins long and rated PG. The bunnies are extraordinarily cute and charming as well! We hope that this review has encouraged you to go and see it! Maisie rates this film 3/5 (because of the controversy) but I Oscar give it a flawless 5/5! ☺️ This is us signing out and we hope you enjoyed our review!

## A Hippy Hoppity Good Disco

Hey, it's the wonderful Maisie here. I'm **BACK** again with a report of our Easter Disco! Let's hop into the report! The kids of SJB all had a blast at the Easter Disco, that took place on the 27<sup>th</sup> March. Everyone wore their very best clothes and came down to have a little bop on the dancefloor! The DJs (Mr Emms and Mr Connell) were playing all the latest hits: Despacito, Havana, Can't stop the feeling, just to name a few. Lights of many colours flew around the room.

We played Just Dance like there was no tomorrow and danced to Best Song Ever and Blue Dabba Dee. There was a time where Miss Creighton, (My Mum) looked through the door and embarrassed me a LOT.

Thank you for reading this "Easter-tastic" report and I wish you a good Easter. Maisie signing off.

## And The Winner Is.....

In this close competition Dot Dennett came out victorious.

Look out for her award winning logo in our next edition. Thank you to all the entries.

We hope you have a lovely Easter Holidays. See you soon!!
