Last week the timid year fives, led by the fearless and experienced Mr Maher, set foot into their exhilarating residential, Robinwood. The big swing and the piranha pool went down as real showstoppers with the year fives. The reporters spoke to some of the adventurers.

"The night walk was the funniest part because we got squirted with water" William  
"I was scared that the puddings would be too small but I got plenty" Mr Maher  
Zach faced his fear of heights when he took to the trapeze and climbing wall  
Mr Maher has already booked the next trip, don't worry yr 4s you'll get your turn
