Brendan Reilly Olympian Inspiration Day

Activity Challenge to Inspire, Engage & Succeed.

Dear Parent/Guardian,

The Brendan Reilly 'Olympian Inspiration Day' is aimed to inspire and engage pupils helping ignite the flame of aspiration and ambition.

The day is launched with an Olympic Speech by one of our High Achievers with their story of what it took to become successful in their field.

The day then moves on to the Olympic Inspired Fitness Challenges, suitable for all abilities, where pupils are invited to have fun whilst participating in these exercises. With the consent of parents/guardians, pupils are asked to collect sponsorship money from friends and family to help raise funds for the school.

Photos with the Sports Ambassador are then an option if pupils wish which will be available to view and download free of charge from the website link provided after the event through the partnership with: 'Squad in touch'.

The day promises to be an inspirational, fun and memorable time with the opportunity of meeting a sporting personality who will inspire your children to aim high on their journey of discovery, whether it be in sport, music, art, drama or academic excellence.

We hope you engage and support us helping your child achieve their potential.

Kind regards,

Brendan Reilly
