SIR JOHN BARROW SCHOOL

WEEKLY SNIPPETS

HEADTEACHER'S NOTES

Friday 11th May 2018

We hope you all had a great Bank Holiday weekend and enjoyed the sunshine.

This week we have attached our SJB staying safe online leaflet for you to read. We are very keen to work with you to ensure all the children stay safe online. We would be grateful if you could take a look at the guide with your children and encourage them to follow the guidance and share it with others.

We are now in the season of National SAT assessments. Next week our Year 6 children sit their assessments and Y2 are busy across the month of May. As I visit classrooms observing and teaching, I see first hand how hard the children work and the positive attitude to learning they show on a weekly basis. Here at SJB, we emphasise that any assessment is to show or celebrate their hard work and learning across the whole year and previously. We simply ask the children to do their best and nothing else is expected of them. We are already proud of their achievements.
