# SIR JOHN BARROW SCHOOL WEEKLY SNIPPETS

## HEADTEACHER'S NOTES

Dear Parents/Carers,

This week I would like to thank Mrs Milby and the kitchen staff for the delicious meals made on site each day. If your child has not tried the school meals, I would highly recommend them. I, and many other staff, enjoy a school lunch each day.

We have been talking with the children today about what good manners look like especially at the lunch table. It would be wonderful if you could continue this conversation at home, reinforcing the positive messages being shared at school.

Treating people respectfully is very important to us at SJB.

Many thanks.  
Miss H Pemberton
