WEEKLY SNIPPETS

Friday 14th May 2021

Dear Parent/Carers,

This week is Mental Health Awareness Week. We do a variety of things as a whole school to support our children's mental health. One thing we do is ensure we have time outdoors, benefitting from the fresh air; increasing our fitness and learning from nature. We also teach Mindfulness across the school to help us to enjoy the moment and increase our resilience. See [link](#) here.

Eid Mubarak

This week is the festival of Eid. Happy Eid to all our families or wider community who are celebrating eid this week. We hope you are able to enjoy the celebrations with family despite it being different because of Covid19 restrictions

Orienteering- Children who took part in the orienteering event on Thursday did exceptionally well. We had 6 children in the top 10 and 1 overall winner! Well done to all who took part!

Walk to school week- Monday 17th - Friday 21st May. We would like to see as many children as possible walk to school come rain or shine!. Alternatively, children could ride their bike or come along on their scooters.
Lets see how many children take part!

Year 6 have been busy with the **Bright Stars** project. Please follow this link to read our newsletter and take part in the survey. Please click [here](#) to view.

Mrs Helen Pearson
Headteacher and Team SJB

Snippets

School Census Day- Thursday 20th May.

IMPORTANT

Reception, Year 1 and Year 2 and Free School Meal Parent/Carers:

To enable school to receive Universal Free School Meal/FSM (benefits related) funding for each child in school, please order a school meal for your child on Census Day

The Census reports how many children in Reception, Year 1 and Year 2 and FSM children have a school meal on this day

This really does make a difference to school. Thank you.
