

Year 6 newsletter issue 2

Hi,

We are back and today's issue will be a special 'meet the team edition.' We will have a separate slide where our Bright Stars mentors will introduce themselves. Also remember to fill in our survey (the link is down below).

Alicja: I love writing because it gives an insight of my opinions, I can express myself. I also enjoy sharing my ideas with my journalist partner, Lily-A.

Lily-A: The reason why I joined this group is because I love writing and being creative using words. I like spending time with my partner, Alicja.

Bright Stars 2021 – Royal Navy Team

The crews of HMS ANSON and HMS AGAMEMNON are extremely excited to be supporting the Sir John Barrow School in this year's Bright Stars competition.

In the Royal Navy we often undertake a number of missions which require careful planning and teamwork to achieve the aim. On board a submarine we have a number of different teams who live and work together for months at a time to safely operate and achieve the mission.

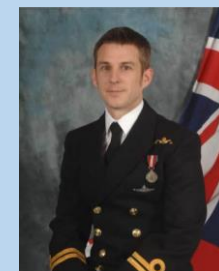

Between the Ship's Companies we have specialists in engineering, logistics and planning, who are at hand to assist Year 6 with the project, drawing on a wealth of experience and expertise to achieve the aim of making a difference to the community of Ulverston and surrounding areas.

Lt Cdr James Rogers
Senior Naval Officer
HMS AGAMEMNON

Lt Cdr Mark Leadbeater
Marine Engineer Officer
HMS ANSON

Lt Cdr Lee Arnold
Deputy Marine Engineer Officer
HMS AGAMEMNON
