

Year 6 newsletter issue 4

Hi.

This is our year 6 weekly newsletter. So far this week we have started to work on our posters. On the 9th of June we began to write letters to different companies about putting up our posters in their shop. We have also considered making stickers to put on takeaway wrappers. Some of the companies include:

- Costa Coffee
- Greggs
- The Local
- The co-op

On Tuesday the 8th June we had our meeting with our Royal Navy mentors. In the meeting a member of each team told our mentors what we have done so far and what needs to be done.

Last week we wrote instructions for safe litter picking.

That's all from us now bye.
