WEEKLY SNIPPETS

Friday 15th September 2023

Dear Parent/Carers,

We have had a great week playing outdoors as part of our OPAL scheme. The rain at the start of the week was an ideal opportunity to test our coats and wellies system. The children know that if the welly is on the pole they need to put on school wellies and a school waterproof before they play on the grass. Have a look at the pictures on the second page to see how much fun we've had. Thank you again to everyone who has helped to make this such a success.

It was great to award our first set of Star Pupil t-shirts this week - a big well done to those children.

Next week the Music Service are visiting in assembly time - would your child like to learn an instrument?

With the start of a new term, we would like to encourage you to spend as much time as possible sharing books. This could be practising your child's phonics book, sharing a story book or finding a quiet space for independent reading.

Mrs Helen Pearson, Mrs Nancy Fletcher and Team SJB
