Dear Parents and Carers

### **Art in Y3 on Thursday 6th March**

This week we will be creating collages inspired by Kurt Schwitters. He created modern art using bits of rubbish he found and collected. An example is below:

If possible can the children please bring in some pieces that can be cut up and stuck on a collage that show their personality, what they enjoy and what interests them. We will create an all about collage! We will display these in the classroom.

Ideas for items to bring in may include:

- Photographs from childhood
- Wrappers of favourite foods or items
- Newspaper articles
- Tickets e.g. train tickets
- Their favourite book (I can photocopy a page)
- Magazine articles that they like to read

Please can these be brought in **by Thursday 6th March** so we can create our collages.

Thank you,  
Mrs Kershaw
