WEEKLY SNIPPETS

Friday 14th March 2025

Dear Parents and Carers

We seem to have been blessed by the weather this week. It makes such a difference to our school trips and outdoor play.

Last week, most of our Year 6 children were in **London**. The group had some fantastic, varied experiences from watching two live debates in the House of Commons to singing along to Mama Mia at the theatre. In all the venues, we were so impressed by their respectful curiosity and knowledge.

On Wednesday, **Year 6 visited the Blue Light Hub**. They took part in a range of activities designed to keep them safe. For instance: online, near railway lines, when playing out. Make sure you ask your child about the afternoon.

On Thursday morning, we waved Year 4 off on their own adventure to **Liverpool**. More news to follow. Thank you to the staff who have contributed their own time to accompany the children.

Urgent Road Safety: We have had some very worrying reports of speeding near the crossing patrol on Hill Fall. **Please, please, please** would you be our eyes and ears there. We have informed the police of the danger. Please can you do the same?

We also have a polite reminder about parking in Tyson Square. **Please avoid parking on the pavement** - it makes it hard to get prams and wheelchairs down the footpath. The residents of Tyson Square have supported our school by working in the garden and contributing to our fundraising and we would like that happy state of affairs to continue.

There's lots to look forward to next week with Friday being an especially busy day: **Red Nose day, Spring Disco, Themed School Dinner and a Book Fair**. [Here](#) is the link to make donations for Red Nose day non-school uniform

Wishing you all an enjoyable weekend,
Mrs Fletcher and the SJB Team
