Friday 2nd July 2021

Dear Parent/Carers,

I would like to celebrate with you the success of your children this week. Following the children's assessments in June, we are delighted with their progress, considering the difficult year. Of course there are some learning gaps and we will be seeking to support your children further in the year ahead. However, for now, I would like to say well done. Well done to the children, staff and to parents/carers for all your support. School reports will be issued on 9th July 2021 and there will be an opportunity to meet virtually with class teachers before the end of term.

We are having swap around morning this Monday, 5th July 2021. Due to Bubble restrictions the children will remain in the classrooms and the new teacher will visit the class, socially distancing. The EYFS and KS1 pupils will also be shown their new classrooms, playgrounds etc before the end of term.

The class teachers for next year remain the same:

Nursery: Mrs Dobson
Reception: Mrs Branton/Mrs Sainsbury
Year 1 Miss Gardiner
Year 2: Mr Connell
Year 3: Mr Maher
Year 4: Miss Davison
Year 5: Miss Sadler
Year 6: Mrs Fletcher

Best wishes,
Mrs Helen Pearson
Headteacher and Team SJB

Summer Book Fair

Our fantastic PTA has been unable to do as much fundraising this year. The main event missing from our calendar this term is the Summer Fair. Many of you are very kind and give the staff presents at the end of the year. Please would you consider buying a book for one of the reading corners in school. We will be sending an Amazon wishlist for ease however we would encourage you to support the bookshop in town.

SPORTS DAY

Sports Days will take place, however, with careful consideration we will not be able to have spectators. We know this will be disappointing for many and with this in mind we are hoping to be able to organise a fun sports festival in September if restrictions have been removed.

The current guidance and local authority advice is directing us to protect the bubbles as a priority to keep children in school and are not encouraging visits in school or gatherings unless essential.

Though having spectators is a possibility, groups of spectators would have to be restricted and distanced, toilet facilities would not be available and, following strict risk assessments, we would be expected to provide a significant number of staff to ensure social distancing. Unfortunately, we just cannot provide the number of staff required for each bubble group.
