

SIR JOHN BARROW SCHOOL

WEEKLY SNIPPETS

SUCCESSING
ENJOYING
BELONGING

Friday 21st January 2022

Dear Parent/Carer,

Year 5 and 6 are very excited about their residential to robinwood next week. We are so pleased that they are able to go and have this opportunity. The children always return having had a wonderful experience and proud of their achievements. Due to staff being away there are a number of clubs cancelled next week. Please take a look at the diary for details.

Please can we reiterate our need to plan for staffing at breakfast club and after school club. Bookings must be made via ParentPay 5 days in advance. The administration team have been asked not to accept late bookings. We are sorry if this is inconvenient but we have had too many incidents of being expected to find staff at very last minute. This, at best, inconvenienced people and at the worst created a health and safety issue if staff were not available. In emergency situations, requests will be passed to the school senior leadership team.

Thank you for your understanding.

Kind regards,
Mrs Helen Pearson, Headteacher

1 Minute Maths - Reception, Year 1 and Year 2 parents! Download the 1 minute Maths App to practise subitising (recognising numbers), addition and subtraction. 5 minutes practise a day will make a big difference to your child's number fluency.

Snippets

For the next few weeks, Music Festival will be for Y6 and Y4 one week and Y5 and Y3 the next. This is to reduce the number of children in the hall.

If your child is absent from school, please remember to cancel any school meals ordered via ParentPay. The school meal tab is always open to order/cancel before 8am each day. This will reduce any waste food from the kitchen.

TERM DATES: 2021/22

Check out these 7 top reasons for using 1-Minute Maths!

1. Excellent practice — and no distractions.
