BELONGING

Tuesday 26th April 2022

Dear Parent/Carer,

We would like to say a huge congratulations to Mr Connell who has been successful in his application for post of Deputy Headteacher at Victoria Academy. Mr Connell will start his new job in September. We wish him every success and know when the time comes he will be missed here at SJB.

We also say good-bye to one of our teaching assistants, Miss Stein, at the end of this week. Miss Stein has secured a post closer to home and will be missed. We wish her well in her new job.

We were pleased to interview and recruit some new Teaching Assistants on Friday. We are looking forward to them starting in the next few weeks and working with us. They will be joining a team of very committed and skilled teaching assistants who work here at SJB.

Kind regards,

Mrs Helen Pearson  
Headteacher
